Skills

Web development (html CSS Javascript) Java (backend development)

SQL

Languages

- Tamil
- English

Certificates

- Java full stack development (QSpiders Velachery-chennai)
- Typewriting (chengam -thiruvannamalai)

Projects

Cryptography

Developed Cryptographic Secret Message Application in Python demonstrating key importance and encryption/decryption processes using Base 64 module Users encrypt text into Cipher Text with a specific Passcode, then send to second user for decryption Decrypt Cipher Text using same Passcode used for encryption to reveal secret message Use consistent Passcode for both Encryption and Decryption processes Incorrect Passcode results in unreadable false message

Declaration

The-above mentioned information details are correct to the best of my knowledge
